OTHER ACTIVITIES

2022 - 2023

Podcast AI and Education

In collaboration with Liza Peeters-Goos, [podcast](#) about the meaning of AI (with ChatGPT) for education. Reflective podcast to map the opportunities and threats of AI in education.

2012 - 2014

organization of homework guidance

In collaboration with Trudo guided a group of students (35) and the volunteers (10) during homework guidance.

2009 - 2013

Treasurer and education development

Stichting Ontdek en Beleef de Wereld In the school year 2009/2010 I founded a foundation that brought students aged 11-12 into contact with peers in Asia via an interactive website. We made [videos here](#). In addition, I made a teaching package for the project. During the project we made a 9-month trip through India, Nepal and Cambodia. Here we supported various development [projects](#).
